

## ASSEMBLÉE GÉNÉRALE NATIONALE CLUB 41 FRANÇAIS / CLUB AGORA FRANCE

The Saint-Avold Club 41 will be organising the next AGN in June 2024.

The idea has been ripening in the minds of some of us in the same way that fruit ripens. A kind of sweet madness. The kind of madness that pushes people out of their comfort zone, beyond their limits to achieve the Best. It's also the desire to welcome you and show you just how beautiful our region is. Too often overlooked, but with a rich history.

Of course, it's difficult to host a thousand participants in our small town, so we looked to our capital city: METZ. Four clubs are present and are ready to lend their support to make your visit as enjoyable as possible.

We're on the move, we won't be going via Orleans, like our Jeanne, but from Rouen we'll be bringing the flame of friendship, so dear to our Club, back to Lorraine.

Yours sincerely The Members of Club 41 of Saint-Avold.
